x = now inactive

Mid-season All-Star Game results, 1921-2000:

West 43-37 (.538), East 37-43 (.462)

1921

Eastern teams = U.S.-based east of Mississippi River

Western teams = U.S.-based west of Mississippi River + Pacific/Latin American/Caribbean-based extranationals

Post-season All-Star Game results, 1921-2000:

Generations Div. 50-30 (.625), Heritage Div. 30-50 (.375)

1921

Heritage Division teams = Earliest/oldest continuing franchises

Generations Division teams = Offshoots of the oldest, second/third generation

(As new franchises are formed by splitting off from established teams, they enter the OBL in the Generations Division; if two teams merge to form a "re-united" franchise – like the MRR-CLW merger of 1996 – they carry on without switching divisions)
